32.4 The performance of the Contract shall not be suspended, cease or be delayed by the reference of a dispute to any dispute resolution procedure (unless required by the Client, which it shall at all times retain the right to do) and the Contractor (or employee, agent, supplier or sub-contractor) shall comply fully with the requirements of the Contract at all times.

32.5 The procedure for mediation and consequential provisions relating to mediation are as follows:

- (a) a neutral adviser or mediator (the "**Mediator**") shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator within 14 days after a request by one Party to the other or if the Mediator agreed upon is unable or unwilling to act, either Party shall within 14 days from the date of the proposal to appoint a Mediator or within 14 days of notice to either Party that it is unable or unwilling to act, apply to the President of the Law Society of Northern Ireland ("**LSNI**") to appoint a Mediator;
- (b) the Parties shall within 14 days of the appointment of the Mediator meet with them in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held. If considered appropriate, the Parties may at any stage seek assistance from LSNI to provide guidance on a suitable procedure;
- (c) unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;
- (d) if the Parties reach agreement on the resolution of the dispute, the agreement shall be reduced to writing and shall be binding on the Parties once it is signed by their duly authorised representatives;
- (e) failing agreement, either of the Parties may invite the Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties;
- (f) if the Parties fail to reach agreement in the structured negotiations within 30 days of the Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the Courts unless the dispute is referred to arbitration pursuant to the procedures set out in clause 32.6.

32.6 Subject to clause 32.2, the Parties shall not institute court proceedings until the procedures set out in clauses 32.3 and 32.5 where relevant have been completed save that:

- (a) the Client may at any time before court proceedings are commenced, serve a notice on the Contractor requiring the dispute to be referred to and resolved by arbitration in accordance with the provisions of clause 32.7;
- (b) if the Contractor intends to commence court proceedings, it shall serve written notice on the Client of its intentions and the Client shall have 21 days following receipt of such notice to serve a reply on the Contractor requiring the dispute to be referred to and resolved by arbitration in accordance with the provisions of clause 32.7; and
- (c) the Contractor may request, by notice in writing to the Client, that any dispute be referred and resolved by arbitration in accordance with the provisions of clause 32.7, to which the Client may in its discretion consent as it sees fit.

32.7 In the event that any arbitration proceedings are commenced pursuant to clause 32.6, the following provisions shall apply:

- (a) the arbitration shall be governed by the provisions of the Arbitration Act 1996;
- (b) the Client shall give a written notice of arbitration to the Contractor ("**the Arbitration Notice**") stating:
 - i. that the dispute is referred to arbitration; and
 - ii. providing details of the issues to be resolved;
- (c) the London Court of International Arbitration procedural rules in force at the date that the dispute was referred to arbitration in accordance with 34.7(ii) shall be applied and are deemed to be incorporated by reference to this Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (d) the tribunal shall consist of a sole arbitrator to be agreed by the Parties;
- (e) if the Parties fail to agree the appointment of the arbitrator within 10 (ten) days of the Arbitration Notice being issued by the Client under 34.7 (ii) or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the Law Society of Northern Ireland;
- (f) the arbitration proceedings shall take place in Belfast and in the English language; and
- (g) the arbitration proceedings shall be governed by, and interpretations made in accordance with, Northern Ireland Law.

33 VARIATION

33.1 Unless specifically provided otherwise, the Contractor shall not be entitled to vary the Contract except as directed by the Client.

33.2 Subject at all times to the provisions of clause 34, the Client shall be entitled to request a variation to the Specification or the Contract (hereinafter called a "**Variation**"). A Variation to the General Terms may be made in writing by mutual agreement of the Parties. A Variation to the Specification shall be dealt with in accordance with the procedure described in the remainder of this clause.

33.3 The Client shall be entitled to request a Variation by notifying the Contractor in writing of the Variation by means of a Variation to Contract Form (Annex 1) and the Client shall provide the Contractor with sufficient information to assess the extent of the Variation and consider whether any change to the Contract Price is required in order to implement the Variation.

- 33.4** In the event that a Variation does require an amendment to the Contract Price, such amendment to the Contract Price shall be calculated by the Client, being an amount which properly and fairly reflects the nature and extent of the Variation taking account of all relevant circumstances and shall be agreed in writing with the Contractor. In the event that the Parties fail to agree an amendment to the Contract Price for the Variation, the dispute shall be resolved under the Dispute Resolution Procedure under clause 32.
- 33.5** Following a request from either Party under clause 33.2 or 33.3, the Contractor shall, on request from the Client, provide the Client with reasonable assistance and information (without cost) to assist the Client in assessing the scope, cost and impact of the proposed Variation.
- 33.6** The Client shall specify a reasonable time limit, having regard to the nature of the Variation, within which the Contractor shall respond and confirm whether it accepts the request for a Variation and it shall confirm the same in writing. If the Contractor accepts the Variation, the Contractor shall perform such Variation within the specified time scale and be bound by the Contract so far as it is applicable, as though the Variation was originally stated in the Contract.
- 33.7** In the event that the Contractor reasonably believes that a Variation would:
- (a) materially and adversely affect the risks to the health and safety of any person; and/or
 - (b) require the Deliverables to be performed in a way that infringes any Law; and/or
 - (c) be technically impossible to implement,
- the Contractor shall notify the Client in writing immediately which of the above reasons for being unable to accept the Variation applies. Within 10 Working Days of receipt of such notification, the Client shall inform the Contractor that, at the Client's sole discretion, it shall:
- i. allow the Contractor to fulfil its obligations under the Contract without being required to implement the Variation; or
 - ii. attempt to agree a resolution to the matter with the Contractor if the Contractor has already delivered all or part of the Deliverables or where the Contractor can show evidence of substantial work being carried out to fulfil the requirements of the Specification; or
 - iii. terminate the Contract with immediate effect unless the Parties agree an alternative to the proposed Variation within 10 Working Days of the Client notifying the Contractor of this intention (during which the parties shall act reasonably).
- 33.8** Until and/or unless a change to the Contract Price is agreed by the Client pursuant to clause 33 (Variation) the Contractor shall continue to supply the Deliverables in accordance with its existing obligations.

34 CHANGE IN LAW

- 34.1** The Contractor shall neither be relieved of its obligations to provide the Deliverables in accordance with the provisions of the Contract nor be entitled to an increase in the Contract Price as the result of:
- (a) Brexit;
 - (b) a General Change in Law; or
 - (c) a Specific Change in Law where the effect of that Specific Change in Law on the Deliverables is known at the Commencement Date.
- 34.2** If a Specific Change in Law occurs during the Contract Period (other than those referred to in clause 34.1), the Contractor shall notify the Client of the likely effects of that change, including:
- (a) whether any modification is required to the Deliverables, the Contract Price or the Contract; and

- (b) whether any relief from compliance with the Contractor's obligations is required, including any obligation to achieve any milestones or to meet any service level requirements at any time.

34.3 Any increase or decrease in the Contract Price or relief from the Contractor's obligations agreed by the Parties pursuant to this clause shall be implemented by way of a fair and reasonable adjustment to be agreed between the Parties.

34.4 As soon as practicable after any notification in accordance with clause 34.2 the Parties shall discuss and agree the matters referred to in that clause and any ways in which the Contractor can mitigate the effect of the Specific Change in Law, including:-

- (a) providing evidence that the Contractor has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its sub-contractors;
- (b) demonstrating that a foreseeable Specific Change in Law had been taken into account by the Contractor before it occurred;
- (c) giving evidence as to how the Specific Change in Law has affected the cost of providing the Deliverables; and
- (d) demonstrating that any expenditure that has been avoided has been taken into account in amending the Contract Price.

35 AGENCY, PARTNERSHIP ETC.

This Contract will not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in this Contract. Neither Party will have, nor represent that it has, any authority to make any commitments on the other Party's behalf.

36 ASSIGNMENT & SUB-CONTRACTING

36.1 The Contractor shall not without prior Approval assign, sub-contract, novate or in any way dispose of the benefit and/or the burden of this Contract or any part thereof. The Client may, in the granting of such consent, provide conditions relating to such assignment, sub-contract, novation or disposal (including, without limitation, requiring that the proposed sub-contractor would have complied with any mandatory requirements for sub-contractors as specified in the Procurement Documents) with which the Contractor shall be responsible for compliance. The Contractor shall be responsible for the acts and omissions of its sub-contractors as though those acts and omissions were its own.

36.2 Where the Contractor enters into a sub-contract for the purpose of performing its obligations under this Contract, the Contractor shall:

- (a) ensure that a provision is included in such sub-contract which requires payment to be made of all sums due by the Contractor to the sub-contractor within a specified period not exceeding 30 days from the receipt of the valid notice;
- (b) ensure that equally favourable payment terms to those which the Client provides for the Contractor are passed on by the Contractor to sub-contractors and from those sub-contractors to their sub-contractors (where related to this Contract).

36.3 Where the Client has consented to the placing of sub-contracts, copies of each sub-contract will, at the request of the Client, be sent by the Contractor to the Client as soon as is reasonably practicable.

- 36.4** The Client may assign, novate, or otherwise dispose of its rights and obligations under this Contract without the consent of the Contractor provided that such assignment, novation or disposal will not increase the burden of the Contractor's obligations under this Contract.
- 36.5** Any change in the legal status of the Client such that it ceases to be a body governed by public law shall not affect the validity of this Contract. In such circumstances, this Contract shall bind and inure to the benefit of any successor body to the Client.
- 36.6** If the rights and obligations of the Client under this Contract are assigned, novated or otherwise disposed of to a body which is not a Utility or if there is a change in the legal status of the Client such that it ceases to be a body governed by public law (in the remainder of this clause such a body being referred to as the "**Transferee**"):
- (a) the rights of termination of the Client in clause 27 (Termination of Contract) shall be available to the Contractor in the event of respectively, the bankruptcy or insolvency, or Default of the Transferee; and
 - (b) the Transferee shall only be able to assign, novate or otherwise dispose of its rights and obligations under this Contract or any part thereof with the prior consent in writing of the Contractor.
- 36.7** The Client may disclose to any Transferee any Confidential Information of the Contractor which relates to the performance of the Contractor's obligations under this Contract. In such circumstances, the Client shall authorise the Transferee to use such Confidential Information only for purposes relating to the performance of the Contractor's obligations under this Contract and for no other purpose and shall take all reasonable steps to ensure that the Transferee gives a confidentiality undertaking in relation to such Confidential Information.
- 36.8** Notwithstanding clause 36.1, the Contractor may assign to a third party ("**the Assignee**") the right to receive payment of the Charges or Contract Price or any part thereof due to the Contractor under this Contract (including any interest which the Client incurs under clause 27.8). Any assignment under this clause 36.8 shall be subject to:
- (a) total reduction of any sums in respect of which the Client may exercise its right of recovery under clause 8 (Recovery of Sums); and
 - (b) all related rights of the Client under the Contract in relation to the recovery of sums due but unpaid.
- 36.9** In the event that the Contractor assigns the right to receive the Charges or Contract Price under clause 36.1, the Contractor or the Assignee shall notify the Client in writing of the assignment and the date upon which the assignment becomes effective.
- 36.10** The Contractor shall ensure that the Assignee notifies the Client of the Assignee's contact information and bank account details to which the Client shall make payment.
- 36.11** The provisions of clause 7 (Payment) shall continue to apply in all other respects after the assignment and shall not be amended without the Approval of the Client.

37 THE CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

Subject to clause 31.8, a person who is not a Party to the Contract will have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on that person, without the prior written agreement of both Parties.

38 DISCRIMINATION

- 38.1** The Contractor shall comply with all applicable fair employment, equality of treatment and anti-discrimination legislation and shall use its best endeavours to ensure that in its employment policies and practices and in the delivery of the Deliverables required of the Contractor under this Contract, it has due regard to the need to promote equality of treatment and opportunity and prevent discrimination, harassment and victimisation between:

 - (b) includes in its contracts with its sub-contractors and suppliers anti-slavery and human trafficking provisions that are at least as onerous as those set out in this clause 40.
- 40.3** The Contractor shall indemnify the Client against any losses, liabilities, damages, costs (including, but not limited to, legal fees) and expenses incurred by the Client as a result of the Contractor's and/or its Staff's breach of the MSA 2015.

41.2 The Parties agree that any breach of this clause 41 shall constitute a material breach which is incapable of remedy for the purposes of clause 27 of this Contract.

42 PREVENTION OF CORRUPTION

42.1 The Contractor shall not offer or give, or agree to give, to the Client or any other public body or any person employed by or on behalf of the Client or any other public body any gift or consideration of any kind as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of this Contract or any other contract with the Client or any other public body, or for showing or refraining from showing favour or disfavour to any person in relation to this Contract or any such contract.

42.2 The Contractor warrants that it has not paid commission or agreed to pay commission to the Client or any other public body or any person employed by or on behalf of the Client or any other public body in connection with this Contract.

The Contractor will disclose to the Client full particulars of any such conflict of interest which may arise.

45.2 The Client reserves the right to terminate this Contract, acting reasonably, immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of the Client, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Client under the provisions of this Contract. 48 REMEDIES CUMULATIVE

Except as otherwise expressly provided by this Contract, all remedies available to either Party for breach of this Contract (whether under this Contract, statute or common Law) are cumulative and may be exercised concurrently or separately, and the exercise of one right or remedy will not be deemed an election of such right or remedy to the exclusion of other rights or remedies.

49 SEVERANCE

If any provision of this Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, the offending portion of the provision will, to the minimum required in order to give effect to the Parties' written intentions (other than the offending intention) be severed from this Contract and rendered ineffective as far as possible without modifying the remaining provisions of this Contract, and will not in any way affect any other circumstances of, or the validity or enforcement of this Contract.

52 IMPORTANCE OF REPUTATION

The Contractor acknowledges that the Client is subject to scrutiny by the general public and by Regulatory Bodies. - 1.1 As part of the tender process the Client will issue a list of questions (the “**Supplier Information Checklist**”) for completion by the Contractor. The Contractor hereby warrants that all the information provided to the Client in the Supplier Information Checklist is true, accurate, complete and not misleading.
- 1.2 The Client will inform the Contractor in the Award Letter of the Employment Status Decision in respect of the Contractor (the “**Status Determination Statement**”), subject to any statutory right of appeal, pursuant to the Income Tax (Earnings and Pensions) Act 2003 (as amended) or any statutory re-enactment thereof (the “**ITEPA 2003**”). - 1.4 The Contractor shall indemnify the Client against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs and all other reasonable professional costs and expenses) suffered or incurred by the Client arising out of or in connection with any breach of the warranties set out at sections 1.1 to 1.3 of this appendix.
- 1.5 For the avoidance of doubt, classification as a Deemed Employee and/or the issuing of any Status Determination Statement does not denote the existence of an employment relationship between the Client and the individual worker, nor does it confer any employment rights upon that individual worker.
- 1.6 The Client, pursuant to the ITEPA 2003, will make the necessary “tax deductions and tax payments” on behalf of the Deemed Employee. For the avoidance of doubt, “tax deductions and tax payments” shall include income tax and class 1 national insurance.

- 1.10 The Contractor hereby warrants that all the information contained within the Individual Worker Information is true, accurate, complete and not misleading.

- 1.12** For the avoidance of doubt, classification as an Agency Supplied Deemed Employee and/or the issuing of any Status Determination Statement for Third Parties, does not denote the existence of an employment relationship between the Client and the individual worker, nor does it confer any employment rights upon that individual worker.
- 1.13** The Contractor, pursuant to the ITEPA 2003, hereby warrants that it will make the necessary tax deductions and tax payments on behalf of the Agency Supplied Deemed Employee.
- 1.14** For the avoidance of doubt, “tax deductions and tax payments” shall include income tax and class 1 national insurance.
- 1.15** The Client shall monitor the Contract throughout its duration and shall have the ability, if it so wishes, to alter the Status Determination Statement for Third Parties, in the event that the nature of the Contract changes at any point during the duration of the Contract.
