**SUBJECT**

Septic Tank locations

**REQUEST**

Please could you send me a list of all the septic tanks in NI? Please include the post code and lat/long of each.

**RESPONSE**

The Northern Ireland Environment Agency (NIEA), part of the Department of Agriculture, Environment and Rural Affairs (DAERA), regulates private septic tank discharge consents and as such would have the details you require. NI Water's records are specific to private septic tanks where a discretionary septic tank de-sludge/empty has been requested and NI Water-owned Septic Tanks.

To assist I have provided the location details of NI Water assets as Annex A and NIEA's contact details below.
